### Challenge2Bfit Fitness Program

Dear Parents/Caregivers

The Challenge2Bfit Fitness program will commence in Term 1 2019. The students will have fun whilst getting fit and learning new skills on an array of inflatables and equipment.

Challenge2Bfit is designed to achieve 70 of the PDHPE Syllabus Outcomes and Indicators incorporating fitness training with a wide variety of age appropriate exercises, sporting equipment and inflatable obstacles each week to develop skills and provide new challenges every session.

Classes will commence Monday 18 February 2019 (week 4) for 8 weeks with the last class being taught on Monday 8 April 2019 (week 11). Please note that in Week 7 the classes will be held on Tuesday 12 March due to school photos on the Monday. ***Students will be required to wear their sports uniforms, including joggers for these sessions.***

The price per students is \$40 for the 8 week program. The school will supplement \$10 per student so the **overall cost is \$30 per student.** Challenge2Bfit offer a **family discount where the first two children pay with the third and subsequent children being free.** A permission note for all children is still required.

The company have agreed to allow all students to complete the first session without payment **however a permission note must be received by 10am Thursday 14 February otherwise your child will be excluded from the program.** ***Payment is due by Thursday 21 February 2019 to complete the rest of the sessions. As the school is invoiced by the company, we are unable to issue refunds if your child does not attend all sessions.***

If you have any questions about the program, please do not hesitate to contact the school.
